Facilities of Drinking Water at various Railway Stations

1906. SHRI KRISHAN LAL SHARMA : Will the Minister of RAILWAYS be pleased to state :

(a) whether it is a fact that passengers suffer a lot during summer due to lack of drinking water facilities at various railway stations; and

(b) if so, what steps are being taken to improve this facility for the coming summer season ?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI K. C. LENKA) : (a) and (b) Railways have made drinking water arrangements at all stations. In the summer season at certain stations difficulty may arise some times due to overall reduced availability of water, power cuts and break downs. In order to overcome these problems railways take necessary measures which include review of the water supply arrangements before the onset of summer season and to make the system ready for likely eventualities, transportation of water by rail/road and provision of water trollies and gharas on wheel barrows. Wherever considered necessary, hot weather watermen, in addition to the regular watermen, are also pressed into service during summer.

Commission charges and interests to Asian Development Bank

1908. SHRI H. HANUMANTHAPPA : Will the Minister of RAILWAYS be pleased to state :

(a) whether Government's attention has been drawn to a report appeared in

Hindustan Times dated 2nd January, 1993 that the Railways have incurred a liability of over $ 9 million on account of commission charges and interest payable to the Asian Development Bank which is to finance the purchase of 30 three phased locomotives of 6,000 HP to be supplied by the Asea Brown Boweri of Switzerland;

(b) if so, the steps taken by Government to cancel the contract itself instead of incurring the liability because of the delay in placing the order for locomotives with the firm;

(c) if not, the reasons therefor; and

(d) if the R.C.C. is not opposed to the placing of the Ministry's order with ABB for AC locomotives, what is the hitch in either going ahead with the contract or cancelling the contract once for all to avoid the liability on account of paying the commission and interest charges to the company due to delay in placing the orders ?

THE MINISTER OF RAILWAYS (SHRI C. K. JAFFER SHARIEF) : (a) Yes, Sir. However, the amount of commitment charges and interest incurred upto 15th December, 1992 for the Loan of US $ 190 million provided by the Asian Development Bank is US $ 7.474 million as against US $ 9 million mentioned in the said press report as commission charges and interest.

(b) to (d) Advance letter of acceptance was issued to M/s. ABB, Switzerland on 18-3-1992 for the purchase of locomotives. Final action in the matter was, however, pended at the instance of the Railway Convention Committee. The Report and recommendations of the Committee are under the consideration of the Government.
